20 The above-captioned case was indicted on September 27, 2018. Summons were issued for the
21 five defendants on September 28, 2018. Accompanying the Indictment and Summons were the United
22 States' Motions to Seal both as well as related paperwork because the disclosure of the Indictment and
23 Summons may cause the subjects of the Indictment to avoid service of process or destroy evidence,
24 jeopardizing the prosecution of the case. The government sought leave to provide the Indictment and
25 Summons to agents of the Federal Bureau of Investigations, other United States law enforcement,
26 employees of the Department of Justice and other agencies of the United States government, and law
27 enforcement agencies in Taiwan and the People's Republic of China, in order to effectuate service of
28 process on the defendants and facilitate the prosecution of the charged case. The Court granted the

1 United States' applications to seal the Indictment and Summons in the above-referenced matter.

2 Since then, the United States has served the defendants with the Summons and now moves to
3 unseal the above-referenced Indictment and Summons as of **November 1, 2018 at 9:30am PST.**
